OFFICE DIRECTIONS AND ACCESSIBILITY

The office and training centre of **Orbits - Machinery Diagnostics** are located in Kortrijk, on the intersection of the Rekkemsestraat and the Michel Vandewielestraat. At your arrival, you can ring the **ORBITS** bell if the black gate is closed. If opened, you can enter our offices at your right hand side. The offices are located on the **second floor** and are only accessible via stairs.

Direct contact by phone:

Bram Corne +32 (0) 498 08 96 40

Bram Vervisch +32 (0) 479 43 16 53

PUBLIC TRANSPORTATION

The railway station of Kortrijk is located on a distance of 4 km from Orbits. The travel time from the Kortrijk station towards Gent Sint-Pieters is about half an hour and one hour towards Brussel-Zuid. From the Kortrijk station, the bus connection **line 82** is the fastest direct link and has a stop at the doorstep of Orbits: **Marke Nieuwe Wijk**. It is advisory to use the planning tool of the **NMBS** and/or **De lijn** to keep track of potential delays or last-minute changes.

BICYCLE

By bicycle, Orbits is only 10 min away from the Kortrijk railway station (3.5 km). Bicycles can be rented at the station at **Mobiel**, located adjacent to the station in the Minister Tacklaan. Parallel to this street, a biking track (Groeningepad) can be followed up to the Baliestraat in Marke. From thereon, the Rekkemsestraat can be found at a connecting roundabout. The Rekkemsestraat should be followed for 1 km and you will find yourself at the Orbits offices.

CAR

From Brussel - Gent - Antwerpen - Tourcoing - Rijsel, you follow the E17 highway and use the second exit **afslag 2 - Hoog Kortrijk** with directions R8. Coming from Roeselare - Poperinge - Ieper - Moeskroen - Doornik, you follow the E403 or A19 and follow the same directions towards the R8 in Moorsele. Being on the R8, you can find the Pottelberg (N43) by exiting at **afslag 12 Marke**. You can find the Rekkemsestraat after following the N43 and connecting with the Baliestraat.

PARKING

Your car can be parked for free in the Rekkemsestraat. Notice that the Belgian law forbids parking closer than 5 m to a **crosswalk** and closer than 15 m from the neighboring bus stop. If no legal free places are available in the Rekkemsestraat, you can park in the **Rode Dreef**, a side street on 150 m distance in the direction of Kortrijk. Coming by bike, you can park in the entrance hall of Orbits.
